The Moscow Government has decided to transform the “Sokolniki Exhibition and Convention Center” into a temporary hospital until the end of this year, in order to cushion potential new infection outbreaks of the COVID-19 pandemic in Moscow / Russia. Due to these circumstances, it is impossible to organize the exhibition as scheduled.

A new date for Beviale Moscow 2021 is to be scheduled soon. Negotiations are still ongoing. Please find all details on www.beviale-moscow.com/en/partnership.
